WHERE WERE YOU WHEN?

Where were you when Mrs. Rahmani jumped ski high because Jamie Lang murdered a mouse in chorus?

Where were you when Jennifer Ballantine smelled like perfume instead of hairspray?

Where were you when Chris Palmas' locker got stolen?

Where were you when Alisa H., Lisa M., Betsy N., Sandra D., Angie G., Alison C., Krista O., Beth R., Carrie B., Jennifer B., Keri D., and Theresa F. got stopped by a guard doing the "Bunny Hop" at the Whitney Houston concert?

Where were you when Tina Langston's biscuits floated?

Where were you when Sandra Deluca fell out of the ticket booth window and got her foot stuck in a "LE SHELF?"

Where were you when Angie Gupta and Keri Daddow played two person tag with no touch-backs?

Where were you when 1st period History sang a lullaby to Marcus Ryan?

Where were you when Stacey Clouser thought that her teeth were moving?
